#### Notice of Sale or Transfer of Land or Timber:

**Sellers and Buyers of land and perpetual timber rights** have certain rights and responsibilities when the land or perpetual timber rights are sold or transferred. Where the land is subject to certain continuing forestland obligations including without limitation reforestation, Road Maintenance and Abandonment Plans and Harvest Strategies along Type 4 Waters in Eastern Washington, **prior to the sale or transfer of the land or perpetual timber rights the law requires that the following occur:** 1) the seller shall notify the buyer of the existence and nature of the obligations and 2) the buyer shall sign a Notice of Continuing Forestland Obligation Form indicating the buyer's knowledge of such obligation. At the time of sale or transfer of the land or perpetual timber rights the seller shall send the signed Form to the Department of Natural Resources (DNR). The Form may be obtained from your DNR region office.

**If the seller fails to notify the buyer** about the continuing forest land obligation referenced above, the seller shall pay the buyer's costs related to such continuing forest land obligation, (including all legal costs) incurred by the buyer in enforcing the continuing forestland obligation against the seller. Failure by the seller to send the required notice to the DNR at the time of sale shall be prima facie evidence, in an action by the buyer against the seller for costs related to continuing forest land obligation, that the seller did not notify the buyer of the continuing forest land obligation prior to sale. See RCW 76.09.070, RCW 76.09.390 and WAC 222-20-055.

There are also other types of continuing forestland obligations subject to certain requirements, including without limitation Small Forest Landowner Forest Riparian Easements and Landowner Landscape Plans. For more information contact the DNR Regional Office.
